

Manager Griffith Orders Young Pitchers to Report Feb. 15

SEVEN HURLERS TO WORK OUT

Manager Griffith Will Have Youngsters at Y. M. C. A. Gymnasium Early.

THREE CATCHERS HERE

Williams, Henry, and Munch Will Handle Pitchers in Preliminary Practice—Other Gossip.

By WILLIAM PEET.
Pitchers Dent, Drohan, Bickers, Austin, Joe Engel, and Buck Barton will report to Manager Griffith the middle of next month to get in two weeks on light work at the Y. M. C. A. gymnasium, with Mike Martin looking on. Manager Griffith announced last night that he would order the youngsters to report here not later than February 15 and that Alva Williams would also be on hand.

Williams has gained a little weight since last fall and writes that the extra work will put him in shape to get off to a flying start at Charlottesville. The husky hurler is confident of having another big season, and only asks to be allowed to catch a few more games. Alva's hitting toward the close of the past campaign was a pleasing feature of the Nationals' play, and it is a safe bet that the former Red Sox will turn in a few more games this season.

Austin is the Wesleyan College wonder, and from all reports should be able to put up a game fight for a regular berth. Barton and Engel are the two local boys, and both were with the team last season. Drohan and Bickers are unknowns, and will be watched closely by Manager Griffith during the preliminary practice.

Brownie Burke Wins.

Manager Griffith met defeat last night. Brownie Burke, the diminutive mascot of the Cincinnati Reds, handed the Nationals' pitcher three good beatings at the Arcade in a series of pocket billiard matches. Griffith agreed to beat Brownie, playing fifty points to the Cincinnati lad's twenty-five, but after Brownie had won two games, dropped to playing twenty-five to fifteen. Brownie won the third game and three games of soda.

Were All Short Fights.

Gov. Odell of Nevada is quoted as stating that prize fighting is brutal and should not be permitted in Nevada in the future. In a message to the State Legislature he recommends the repeal of the present law, which allows prize fights upon payment of a license fee of \$100, and recommends an amendment making prize fights a misdemeanor, subject to a fine of \$100 or imprisonment for six months.

The lights that made Nevada famous as a pugilistic haven terminated in loss last night. Twenty-five rounds, Fitzsimmons knocked out Jim Corbett at Carson City on March 17, 1906, in fourteen rounds, and Johnson stopped Jeffries at Reno on July 4, 1906, in fifteen rounds.

Proud of Bowling System.

Harvard men think that they have built up the best bowling system in the East with the exception of Cornell. They say a New York critic. They call Wray and Storrs two of the three best bowling coaches in the United States. It is easy to guess who is left for the third—Columbia.

After all, doesn't Harvard of Columbia, on fairly well with the material with which he has to work?

It seems as if Harvard's statement is something of a challenge to Yale. One can remember a time when Harvard men were wont to ask somewhat bitterly why a rawling coach was not obtained for Harvard who was the equal of "Bob" Fock.

Times change and men change with them, but rawling managers to keep going all of the time, and one of these days Yale may force to the front with a crew which shall vanquish the Crimson and then, perhaps, Harvard will begin to doubt again.

COACH BREWER SAYS FOOTBALL IN SOUTH IS SUPERIOR TO THE NORTH

Chester A. Brewer, former coach of the Michigan Agricultural College, now holding down a similar job at the University of Missouri, was in the city yesterday for a few hours, and, besides giving as his opinion that Michigan should re-enter the Western conference, and also that the conference should be organized into a five-college ring with Michigan one of the five, Brewer gave his version of football as it is played in the South.

The former M. A. C. tutor saw the majority of the big teams of the South in action last season, and he believes that football as played in the South is superior to that of the North. He believes that the South is a higher grade than that produced by the teams of the Middle West and West. He believes that some of the games he saw in the South this year outclass anything he has seen in the North. They have speed, and know football down there, says Brewer.

GEN. MARCHMONT WINS FEATURE AT JUAREZ

Edith W. Surprises Bookies, Capturing the Baby Race at 16 to 1.

Special to The Washington Herald.
Juarez, Mexico, Jan. 24.—A purse race at seven furlongs was the feature of a splendid card here to-day. The race resulted in a victory for Gen. Marchmont, who lay close to Cracker Box, the pace-maker, and when the latter quit he came on to win by three-quarters of a length. G. M. Miller, running in the colors of R. P. Carman, his new owner, came from far back and sniped the place from Ymir. The seven furlongs were run in the fast time of 1:26.

Edith W., owned by Frank Weir, furnished a surprise when she got home in front in the baby race, with odds of 16 to 1 against her chances. Alabama Barn wheeled as the barrier went up and dismounted, her rider, Palma, at 15 to 1, tucked under all the way in the second race. Clifton, the favorite, had a rough journey.

W. M. Cain boosted Little Jane 500 over her entered selling price. She was protected by her owner, C. F. Winfrey, and up to \$1,000, at which price Trainer Henry McDaniel protected the mare. Summary:

FIRST RACE: Three and one-half furlongs. Edith W., 12 to 1, won. Time, 1:10. Second, Barbara Lane, 8 to 1. Third, F. B. L. T. Fourth, First Cherry, Alabama Barn, Mrs. Mc. Stella Ward, Fred Ann, Truett, and First also ran.
